OLAT Course Chat

You can use the course chat to communicate with other members of your course.
Click on „**Course chat**“ in the corresponding course (on the right side at the top).

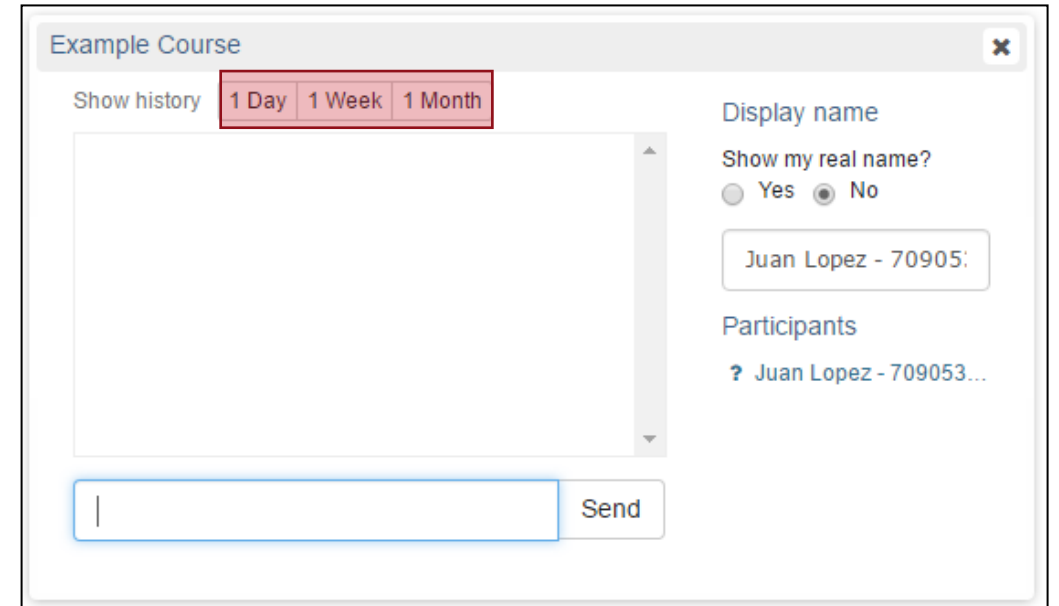

OLAT Course Chat

- Now the chatroom is shown.
- You can either display your real name or join the chat anonymously.
- You can write your message in the marked input field in the lower section. To send it, press enter or click on „**Send**“.

OLAT Course Chat

If you want to see the messages of last week or month, click on the respective button in the upper section.

OLAT Course Chat

To see which other course members are online, click on the chat symbol in the right section of the toolbar. 0/15, in this case, means that 0 of 15 course members are online.

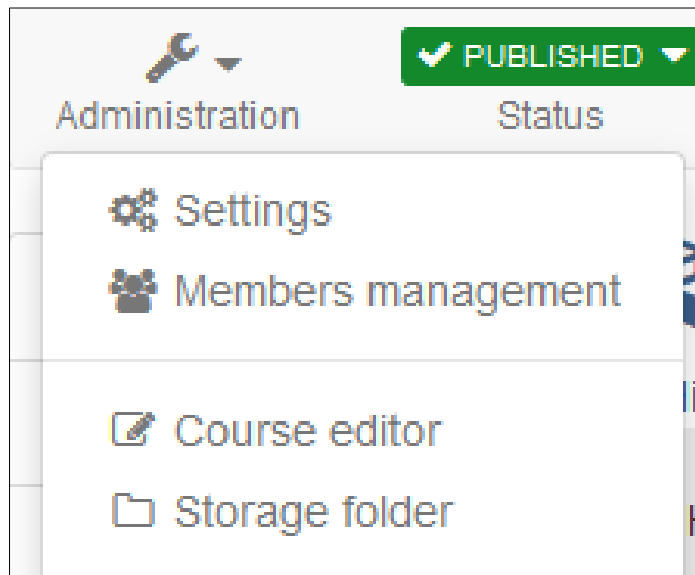

However, not all persons who are online are always shown.

OLAT Course Chat

Course owners can use the members management to check which of their members are online.

To do so, click on „**Members management**“ in the „**Administration**“ menu on the left. If a member is online, a green symbol appears next to their name.
